Medium Funk

Don’t you believe that I want you? I need you here in my arms.

Come rest your head on my shoulder and we’ll count the stars in the night.

Although you won’t have to worry, I’ll spend each day just holding you tight.

I want to feel you beside me, oh.

I want to kiss you all over, I want to give you little ten...

-der-ness let-ting you know that you're loved.

Oh,

I know a place where love is.
I'll keep you warm, to keep you warm,
night and day.

In the love zone, you don't have to
be a lone.
Together we can live and learn
in the love zone.

Love zone

you don’t have to be alone. Together we can

live and learn in the love zone.
Oh baby don't you know
I'll do the best I can to be good for you

But when love's a guarantee
there is no mystery
You'll never be a stranger
out there on your own in the love zone

no chord
made the difference in my life. You'll never be alone.

Love zone, you don't have to be alone.

Together we can live and learn in the love zone.

But if I had to do it all again,
I wouldn't change a thing 'cause this love is everlasting. Suddenly,
life has new meaning to me.
There's beauty above; and things we
never take notice of; you wake up and suddenly you're in love.

Girl, you're love. Each day

I pray this love affair would last forever

Sudden-

Additional lyrics:
Girl, you're everything a man could want and more,
One thousand words are not enough
To say what I feel inside,
Holding hands as we walk along the shore
Never felt like this before,
Now you're all I'm living for.
